.....

Sir,

Sub: Education - Fisheries School - Sri Jnanodaya School - Additional accommodation - sanction of request of.

The present building of the Sri Jnanodaya Fisheries School was constructed during the year 1942 and was occupied with effect from 1-6-43. It has a floor area of 1152 sq.ft., and can accommodate only 121 pupils as per the rules laid down in the Elementary Education Manual.

The Deputy Director of Fisheries (Southn) reports that the present strength and average attendance of the school are 148 and 125 respectively and that a strength of about 180 is anticipated this year. This therefore, necessitates the provision of additional accommodation for 50 more pupils atleast. The Deputy Director of Fisheries (South) is of the opinion that it is possible to construct a wing to the existing building to provide the additional accommodation and requests that the same may be provided this year itself. I agree with the Deputy Director of Fisheries (South).

I enclose herewith the plans and estimates of the existing building with the proposed extension marked therein and request that Govt. may be pleased to accord sanction to the incurring of an expenditure not exceeding Rs.3800/- (Rupees three thousand and eight hundred only) as given in the abstract estimate for the proposed extension to the Sri Jnanodaya Fisheries School, Mangalore.
